Objective

Self motivated B.Tech Computer Science Engineer with a strong foundation in technical and analytical knowledge. Seeking an entry-level role to apply technical and analytical skills in solving real-world problems. Eager to contribute in a dynamic and growth-oriented environment, while continuing to learn and evolve as a developer and problem-solver.

Education

Sahrdaya College of Engineering and Technology, Kodakara, Thrissur Oct 2022 - May 2026
APJ Abdul Kalam Technological University, - B.Tech in Computer Science

- CGPA: 7.33
- **Coursework:** Data Structures, OOPS, DBMS, Operating System, System Software, AI, Programming .

St. Sebastian HSS Kuttikad - Kerala State Board, Jun 2020 - Mar 2022
Higher Secondary in Computer Science

- Percentage: 95%

Projects

EduGuard – AI-based Anti-Class Bunking System

- Developed intelligent attendance tracking system using **face recognition**, **real-time monitoring**, and **React web app** .
- Implemented face-api.js, and Supabase(PostgreSQL + Edge Functions in TypeScript).
- Features: Attendance tracking, duty leave system, wander detection, teacher and HOD alert system.

Skills

Languages: Python, C, JAVA, C++ , JavaScript, HTML, CSS

Frameworks: Bootstrap, Tailwind CSS

Tools: Git, Github, Vite 5, OpenCV

Technologies: Face Recognition, Supabase

Soft Skills: Teamwork, Communication, Problem-solving and Decision making

Course Certifications

The Joy of Computing using Python – NPTEL 12 week course Oct 2025

Verify: archive.nptel.ac.in/content/noc/.....

AI for Future Workforce Program – Intel & Dell Technologies Nov 2024

AI awareness and foundation Course

Python – Google via Coursera May 2023

Verify: coursera.org/verify/PTUAMGXTCTEL

Achievements & Activities

Web Development using Angular – Workshop, SCET Oct 2024

Flutter - Creating application in Android Studio and Testing – Internship, Genzee Technologies Jun 2024

2D Game Development – Workshop, Vyvidh'24 - VSAT Mar 2024

Front-End Web Development – Workshop, SCET Oct 2023

Hackerrank Badges – Obtained badges for Python and C
